## 5. Payment, discounts and refunds

- Tuition may be paid in two instalments: 70% at registration and 30% before the second-semester examinations.
- A 5% discount on tuition applies when the full session's fees are paid before resumption.
- Families with two or more students enrolled at the same time receive a 10% tuition discount for each younger sibling.
- All payments are made through the University portal or at the Bursary. The University never asks anyone to pay into a personal account.
- Acceptance and application fees are not refundable. Fees are reviewed by the Governing Council each session.

**Scholarships.** The Proprietor's Merit Scholarship covers 100% of first-year tuition for UTME scores of 300 and above, 50% for 270–299 and 25% for 250–269, renewable each session with a CGPA of 4.00 or above. Indigenes of Toro LGA receive a 25% Host Community Scholarship, and female students in Computing and in Natural and Applied Sciences a 20% Women in Science and Technology Award. Only one scholarship applies to a student at a time (the highest); the sibling and early-payment discounts apply on top.

**Pay only through official channels.** Fees are paid through the University portal (card, bank transfer to the account generated on your invoice, or USSD) or at the Bursary. Always quote your application or matriculation number. The University never asks anyone to pay into a personal account.
