PUBLIC NOTICE

Beware of admission and recruitment fraudsters

The attention of the Management of Fortune University, Magama, has been drawn to individuals and online groups who claim they can secure admission or employment at the University in exchange for money.

The University was licensed by the Federal Government of Nigeria on 21 October 2026 (NUC Provisional Licence No. 199) and is admitting its **pioneer students** for the 2026/2027 session. Because the University is new, fraudsters may try to take advantage of applicants and their families. **The public is hereby warned:**

1. No admission agents

The University has not appointed any agent, consultant or "coordinator" to sell admission forms or secure admission. Admission is strictly on merit, through the University portal and JAMB CAPS.

2. No payment to individuals

All fees are paid only through the University portal or at the Bursary. The University will **never** ask anyone to pay into a personal bank account or by mobile transfer to a staff member.

3. No "special lists"

Admission lists are published only on the official website and portal and on JAMB CAPS. There is no supplementary list for those who "pay extra".

4. Jobs are free to apply for

The University does not charge any fee for job applications, interviews or appointment letters. Vacancies are advertised only on the official website.

Anyone who deals with impostors does so at their own risk. The University will not honour any admission or appointment obtained through such means, and will report fraudsters to the Nigeria Police Force and the Economic and Financial Crimes Commission.
